## Dr. Margaret Bledsoe

---

Dear Charlestown Students,

Welcome to our Charlestown Yearbook! In these pages, you will find the story of our year – our wonderful students, sports teams, activities and special events and our remarkable staff. I hope that this book will serve to keep the memories of our school alive for you for years to come.

One thing I love about schools is that they are communities with a powerful mission. For 180 days of a year, adults and children come together to help young people prepare for college and life beyond high school. The work is not easy and there are never enough resources, but every day wonderful work happens, and our year is packed full of wonderful moments when students learn new things and move closer to the realization of their dreams.

We are able to accomplish our mission as a school because everyone works together: Teachers, administrators, support staff, cafeteria staff, school volunteers, community organizations, parents, families and above all, our students, come together to say “Yes, We Can.” Thank you for this work. To the class of 2012: Best wishes in the years to come. We will not forget you! To the rest of our school: Have wonderful summers, and we will see you again next year!

Dr. Bledsoe

# Message from the Headmaster

# Mr. Richard Fox

## Dedication

A quote from the man himself  
*"Get off your stupifyer"*

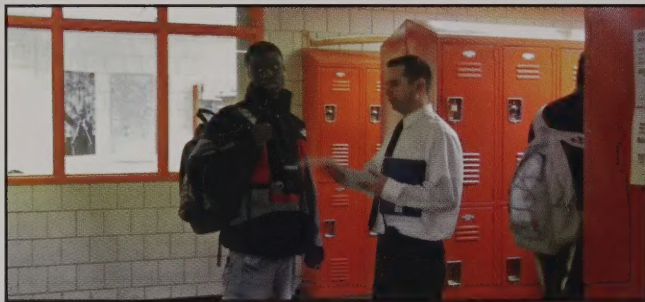

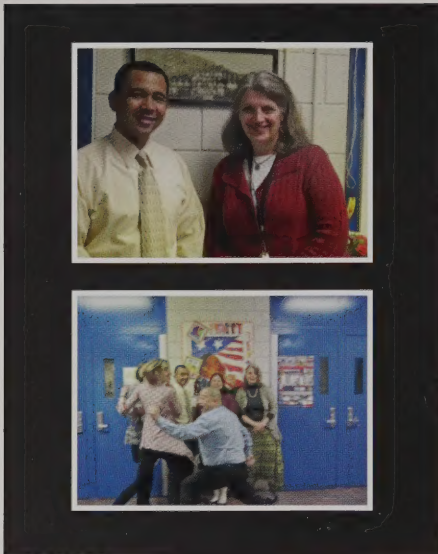

The senior class of 2012 would like to thank Richard Fox for his hard work at Charlestown High School. We would like to dedicate our yearbook to Mr. Fox. Students have described him as being "chill, down to earth, enthusiastic, the coolest teacher, REALLY funny", and "having the best communication skills with his students". Mr. Fox has had a very trying year. Even though his house burned down in the middle of the night with all of his belongings, Mr. Fox still continues to show up every day at school with a positive attitude.

He not only knows exactly how to get his students to be involved in class, but also manages to sacrifice his time to give students the help they need to understand the lesson after class. It is obvious that he has a passion for teaching. Mr. Fox is truly one of the most hardworking teachers in the building and it is a blessing to have him in our school.

Locked in frustrations converted to passion on the court energy to play, nerves to battle, and desire to win setting up to kill, that's the plan. "1,2,3,CTOOWWN!" POW! The ball flies to the opponents side steady gaze, ready to receive attached to the court, for the team, for our name, for ourselves, Go hard cause there's nothing better. Don't want the game to end, still energized. there has to be more, but it's over. One by one, tears and more tears last game of the season, last high school game of our lives, but we made it this far. We played, we battled AND we won. Passion is still there, memories: unforgettable. Charlestown ladies: we are the best nothing can compare to the family we have obtained. "1,2,3 CTOOWWN!" will never die. There is no end. We will move forward from here to a newer place, with memories to keep, laughs to remember, and friends to cherish.

# The Zone

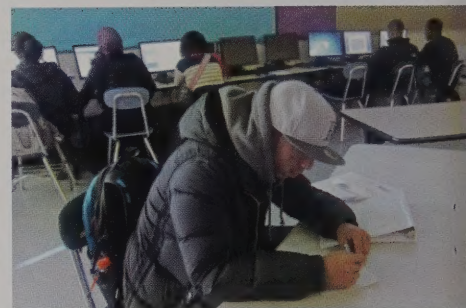

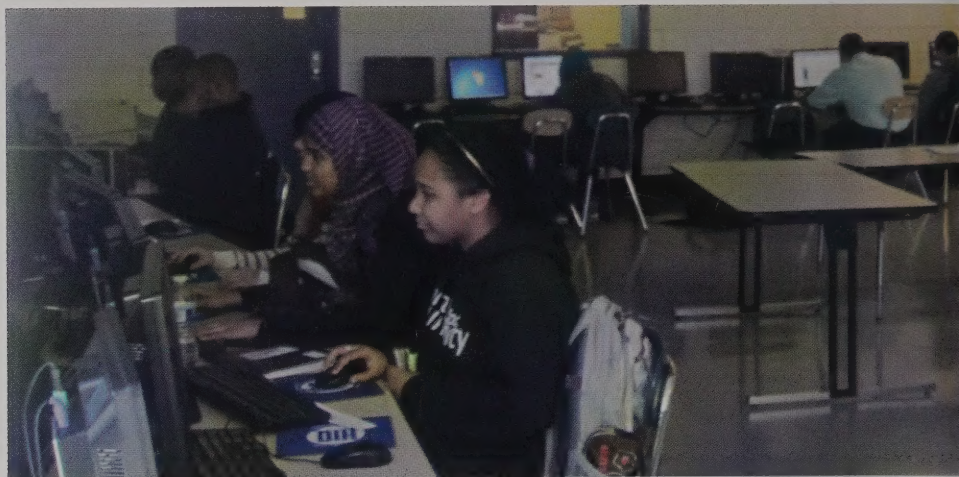

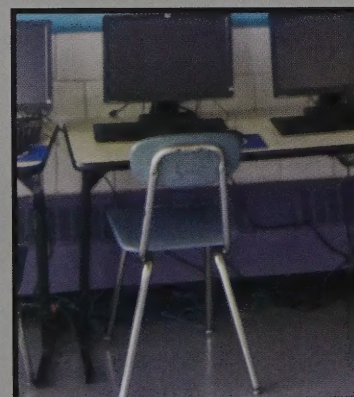

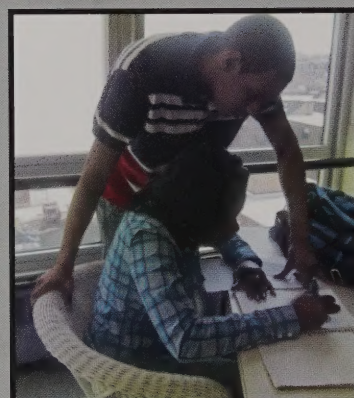

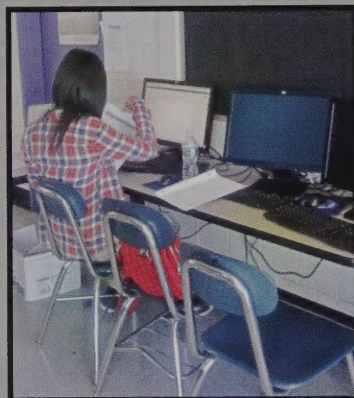

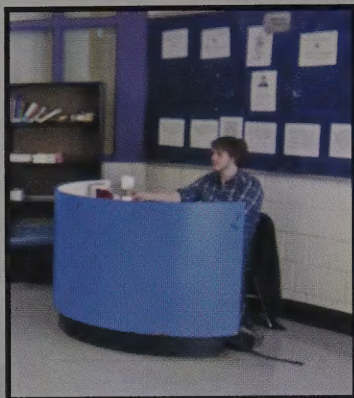

The Charlestown Zone provides a safe and quiet learning environment for Boston student athletes. Students attend the Zone during and after school to work on homework. They also receive study assistance from the Zone tutors.

# The Writing Center

The Charlestown writing center is located in room 540. We have 30 brand new computers. The writing center team consists of 4 UMASS tutors who are pre-service teachers that will help students proof read, research, draft essays, work on applications, complete homework and overall provide a calm working environment. In addition, the tutors are also available to help teachers within and out of the classrooms as well as do one on one tutoring.

# Debate

Debate is an afterschool activity at Charlestown that meets twice a week for practices and once a month for tournaments. The team had great success this year, including numerous top speaker awards and tournament championships! This year the team debated about space exploration including whether or not we should colonize Mars.

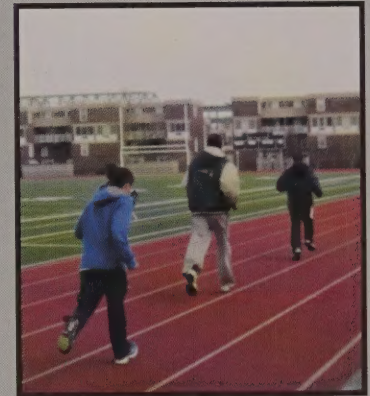

# Dream Marathon

Dream Marathon is a marathon training program. Students and teachers run after school, building up stamina to be able to complete a 26.2 mile marathon. The idea is to help each other.

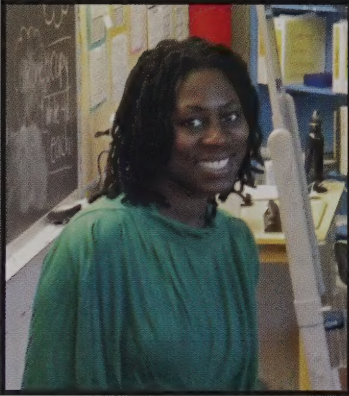

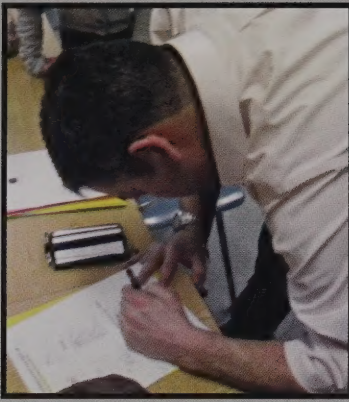

"It's not how fast we run, but that we succeed together."

# NHS

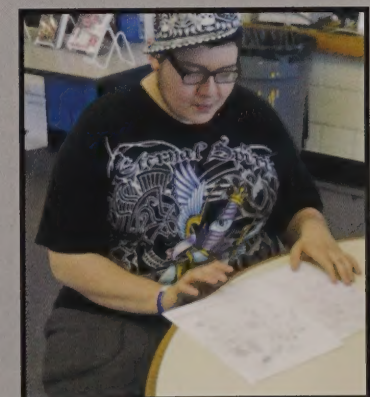

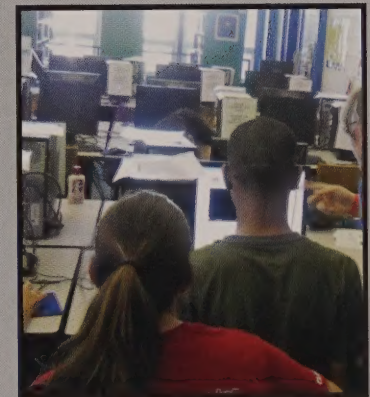

National Honor Society is a national organization which encourages students to focus on academics and community service. In order to be a member of the NHS at Charlestown, each student had to keep a GPA over 3.0, complete an application and participate in at least 2 community service opportunities throughout the year. This year, the NHS organized a teacher appreciation breakfast, cleaned up the surrounding area, and volunteered their time with local organizations.

# Bowling Club

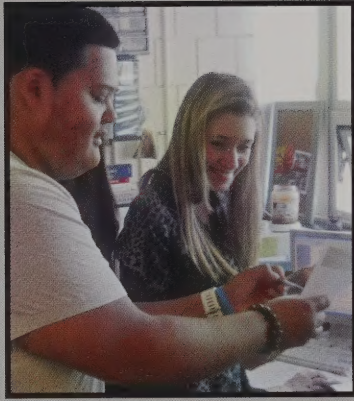

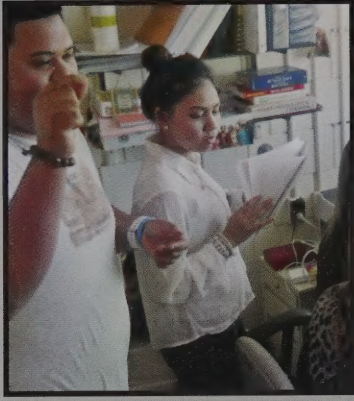

The Bowling Club is an after-school group that goes tenpin bowling at Boston Bowl every week. It is a wonderful opportunity for students of all backgrounds and staff members to have fun together.

# Senior Social Committee

Senior Social Committee is a group of motivated student leaders who are the future Alumni of Charlestown High School. The main focus of this group is to organize and carry out leadership opportunities, plan social events, reach out to student peers and to fundraise for all of the above. This year's committee consists of Luar Barros, Kim Huynh, Tri Huynh, Kathie Ly, Danielle Pereira, Pamela Santa, Alexane Severac  
Advisor : Monique Kaloyanides

# Euro-trip Club

CHS Eurotrip Club is for any graduating senior who wants to go to Europe! We raise money and plan all year long for the trip, and then look at our funds when it's time to buy tickets in the spring. Students choose the destination from the affordable options, then plan the itinerary.

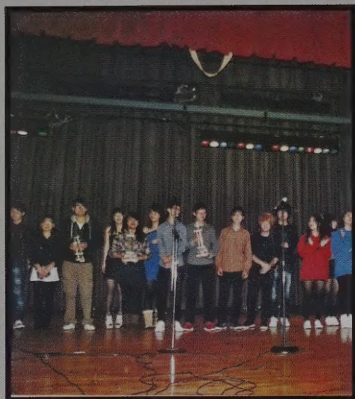

# Chinese Club

President: Emily Sit

Vice-President: Ben Li

The Chinese Club at Charlestown High School seeks to build community and raise awareness of Chinese culture and language through special events and educational opportunities with the CHS community.

# Chinese Immigrant Student Leadership

The Chinese Immigrant Student Leadership program (ChISL) is a pilot leadership program for students in the Chinese – Sheltered English Instruction program at Charlestown High School. The program seeks to help the students develop as leaders by focusing on building the students' capacity to effect positive changes at Charlestown. The program is the result of a partnership between Charlestown High School and the Boston Chinatown Neighborhood Center (BCNC), a non-profit community-based organization.

This year, we were excited and honored to win the White House "What's Your Story?" Video Challenge. In November 2011, the White House launched the video challenge asking the AAPI community to submit videos about the work they were doing in their communities. In our video, entitled "My Voice - Their Stories," the youth talked about the difficulties of communicating in a new language; the challenges of finding a community here in the U.S.; and the anxiety of being immersed in a new culture. Out of over 200 video entries submitted worldwide, the ChISL youth's video received over 11,000 votes and we were chosen as one of the Champions of Change honorees! As one of the Champion of Change, all of the ChISL youths were invited to the White House to accept the honor as well as discuss their experience with White House officials.

(You can see the video at: <http://www.whitehouse.gov/aapi/whats-your-story>)

We hope that we can work with more students from around the school next year and look forward to continuing to develop our program!
